

MUAS - Munich

Follow-Up

After your semester abroad, you should also organize a few things:

- **Unsubscribe at the KVR:** That is possible by email (see Website of the KVR: https://www.muenchen.de/rathaus/home_en/Department-of-Public-Order/Registration-Deregistration.html)
- **Cancel your flat:** If you live at the Studentenwerk you should arrange a date for the handover. If you live somewhere else and you don't have a limited contract, you have to cancel it or find a new tenant.
- **Cancel your health insurance, fitness center etc.**
